

## TOP FLIGHT ELITE ATHLETICS

Dear Sponsor,

Help bring the sport of amateur athletics to excellence by supporting Top Flight Elite with a financial contribution to our program. TFE is a competitive and developmental amateur athletics program founded in 2016 for boys and girls of all grade levels. On and off the competitive field, Top Flight hopes to develop these well-rounded student-athletes. We do this by helping them be equipped with the skills to pursue academic achievement with a strong sense of community service.

Our programs range from individual training to local and national teams that play in exciting regional and national showcases. Top Flight has ambitious goals that reflect the needs of fast-growing interest in youth sports. Top Flight began with one team and has continued to expand ever since. Currently, reaching over 75 young men and women, ages 9-18 from throughout North Carolina and other parts of the country are part of the Top Flight community.

Top Flight Elite Development and competitive teams focus on teaching the sport and preparing the athlete for the next level of play in school-age and beyond. The developmental program is focused on teaching the fundamentals while acquiring a love for the sport. In addition to dedicated training, the Top Flight programs have environments that promote nutrition, individual confidence, sportsmanship, self-esteem, and leadership skills. Top Flight has tutoring programs that prepare the athlete for academic progress while community service events strengthen leadership skills helping to develop responsible citizens. Ensuring that any athlete that possesses the passion and willingness to work hard to achieve their goals, ALL eligible athletes are granted financial assistance.

As a non-profit youth organization, Top Flight seeks the support of the **community** and **business leaders** to help it succeed with its worthwhile endeavors. Funds generated from your generous support will be used to cover TFE's ongoing costs of facility rentals, as well as, programming that includes team and league play, open gym, training.

As Top Flight Elite strives to motivate each athlete to succeed while creating excitement in the community about athletics, your consideration for any of the following sponsorship levels would be greatly appreciated.

Thank you,

**The "E" Club**  
**(984) 289-5477**
